

Vendor Integration Guide

Quick Setup

Add your email address to the form URL. When customers submit applications through your link, you'll automatically receive a copy via email.

Your Form URL

Replace `your-email@example.com` with your actual email:

```
https://axiantpartners.com/match.html?vendor=your-  
email@example.com
```

How to Use

Option 1: Direct Link (Recommended)

```
<a href="https://axiantpartners.com/match.html?vendor=your-  
email@example.com" target="_blank">  
  Apply for Business Financing  
</a>
```

Option 2: Embed in iframe

```
<iframe src="https://axiantpartners.com/match.html?vendor=your-  
email@example.com"  
  width="100%" height="1200" frameborder="0"></iframe>
```

What You'll Receive

When someone submits through your link, you'll get an email with:

- Customer contact information
- Loan details (amount, type, credit score)
- Business information
- Application reference number
